

SEPTEMBER is "People Helping People" Month!

The Song Of The Month

"Look Over There"

words by Ruth Pelham

Sing this song to the tune of
"This Old Man (Knick Knack Paddy Whack)."

Look over there, I see ONE
I'll pick up the wrapper then there'll be none
REFRAIN** Come on everybody, yes, you can do it too
People helping people, that's what we do

Look over there, I see TWO
I'll pick up the newspapers that's what I'll do **

Look over there, I see THREE
I'll pick up the bottles so carefully **

Look over there, I see FOUR
I'll pick up the papers then pick up some more **

Look over there, I see FIVE
I'll pick up the cans for the cleanup drive **

Look over there, I see SIX
I'll pick up the boxes that can't be fixed **

Look over there, I see SEVEN
I'll pick up the bags with Koyla and Devin **

Look over there, I see EIGHT
I'll pick up the cartons, won't hesitate **

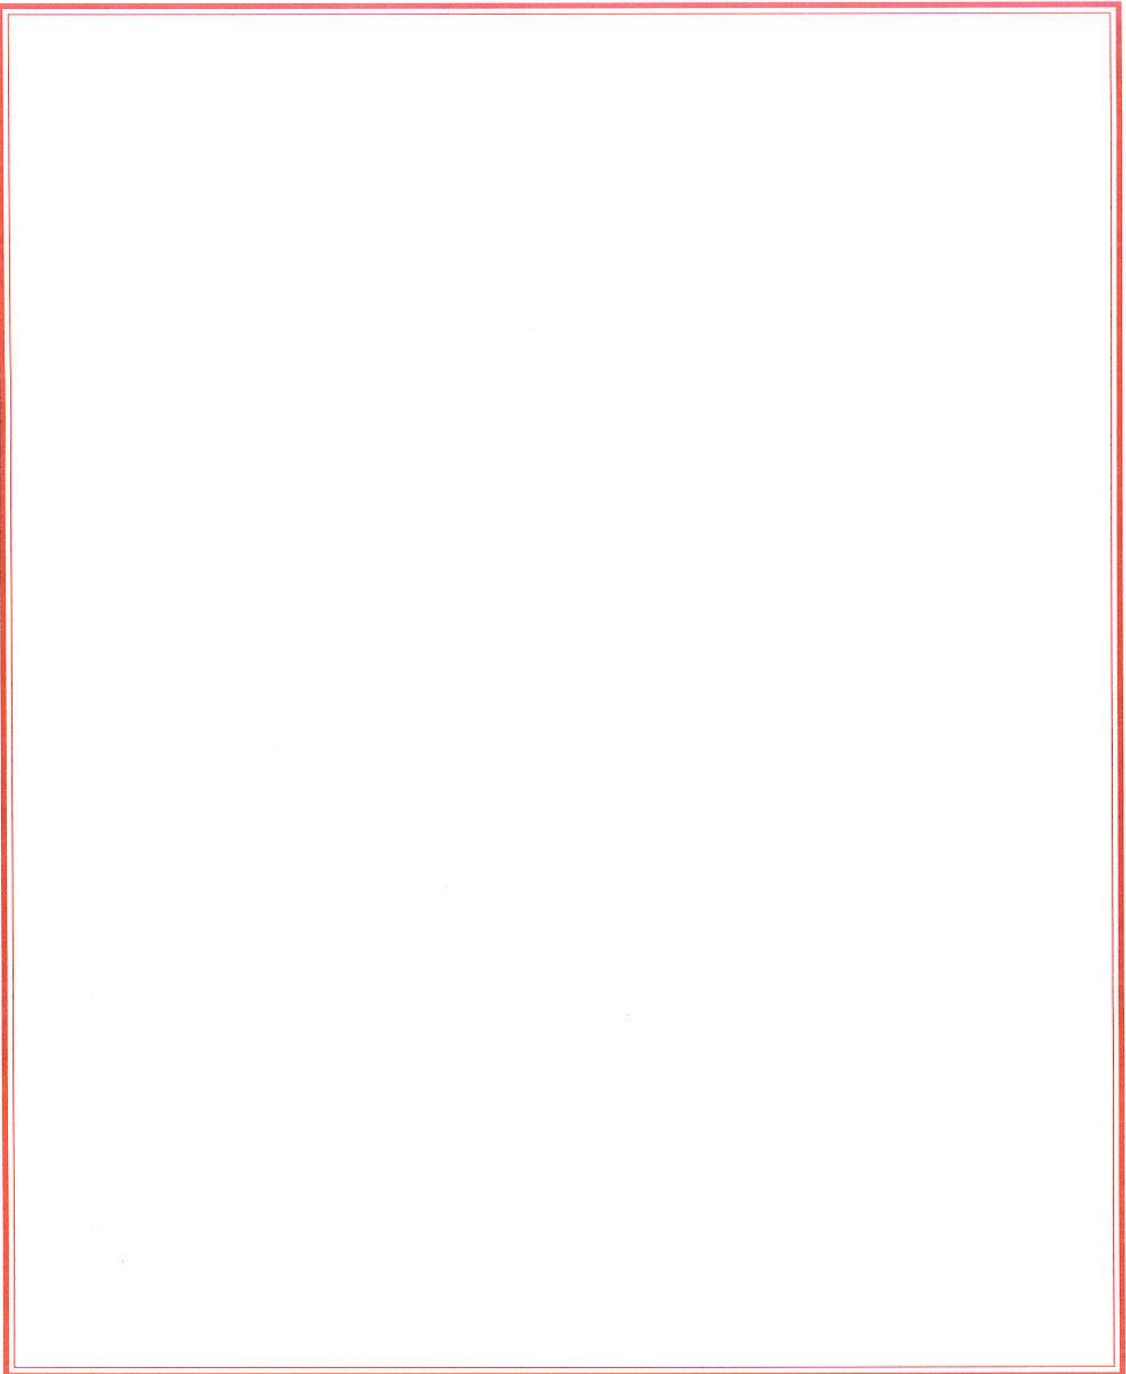

Look over there, I see NINE
I'll pick up the cups though they're not mine **

Look over there, I see TEN
I'll pick up the containers, use 'em again **

Look over there, what do I see
We've picked up everything, you and me
Hurray everybody, there's nothing left to do
With people helping people, now we're through

A Sing And Do Activity

For line 1 of each verse, point to the ground then put up the correct number of fingers. For line 2, bend down and pretend to pick up the item. For line 3, wave people toward you then point to some people. For line 4, proudly shake hands with a few people! On the last verse, try making up your own motions!

Draw a picture of you thanking someone for helping you do something that is really hard.
